Objective

To leverage skills of Data Science and Sustainability Management to drive tech driven solutions in sustainable development, ESG and climate resilience.

Skills

- **Technical Skills**: Machine Learning, Programming (Python, Java), QGIS, Power BI, GEE, Data Visualization, Dashboard Development
- **Soft Skills:** Leadership, Stakeholder Engagement, Project Management, Strategic Planning, Team Building, Communication, and Collaboration.
- **Language competency:** English, Hindi

Achievements

- **1st Position** out of 12 Teams in Badminton at Paradox'24, IIT Madras
- **1st Runner-up** in 5th Junior Softball Championship conducted by Mathura District Softball Association
- Launched Companionship Program, yielding an impressive **2000+ responses** from fellow students at IIT Madras BS Degree

Certifications

- Climate Change: From Learning to Action by UNCC Learn, 2024
- The Materiality of ESG Factors by Wharton University of Pennsylvania on Coursera, 2023
- BCG Forage: Climate & Sustainability Job Simulation, 2023
- Foundations: Data, Data, Everywhere by Google on Coursera, 2022
- Introduction to Sustainable Development in Practice by UNCC learn, 2024

Education

Post Graduate Diploma in Sustainability Management — 2023-2025
Indian Institute of Forest Management, Bhopal
OGPA - 3.19/ 4.33

B.S. in Data Science and Applications — 2021-2026 (Ongoing)
IIT Madras, Chennai
CGPA - 7.46

B.Sc. in PCM — 2019-2022
Swami Vivekananda Subharti University, Meerut
Final Percentage - 64.5%

Class XII (PCM) — 2019
Sacred Heart Convent School, Mathura
Final Percentage - 78.2%

Class X — 2017
St. Francis Convent School, Mathura
Final Percentage - 78.17%

Project Work

Machine Learning Project: Purchase Value Prediction **(May, 2025)**
- Built regression models to predict purchase value using feature engineering, frequency encoding, log transformation, and R^2 optimization via grid search and cross-validation.

Modern Application Development **(Jan, 2024)**
- Designed and implemented a **Python-based music application with Flask** Incorporating user authentication, playlist management, and secure file handling.

Business Data Management **(May, 2023)**
- Utilized **Data Analytics** and operational enhancements to **optimize sales, profitability,** and customer satisfaction for seasonal products in a retail setting

Internship and Industrial Visit

Intern - Council on Energy, Environment and Water
Nov - Dec 2024
- **Bias-corrected air quality forecast data** for different satellites using **machine learning** like random forest, GBDT, and XGBoost.
- Evaluated model performance using advanced error metrics (RMSE, MAE, MAPE) and **visualized results** to support data-driven environmental decision-making.
- Conducted **spatial and temporal analysis** of air quality and wind dynamics, assessed PM2.5 source contributions during winters, and developed Python functions for multi-station air quality data retrieval.

Intern - Directorate of Environment, Govt. of Uttar Pradesh
Mar - Jun 2024
- Assisted in developing **District-level climate change indicators for Uttar Pradesh.**
- Assessed climate urgencies, **identified 7 critical sectors,** reviewed literature, developed, stakeholder engagement with other departments, and refined indicators.
- Collaborated closely with Vasudha Foundation to contribute to the comprehensive **evaluation of climate resilience across districts**, focusing on indicator development and data-gathering initiatives.

Industrial Visit - Chennai and Puducherry
Dec 2023
- Explored a range of industries and examined industrial adherence to **environmental regulations**, certifications, **Factory Acts, and** their Sustainability Efforts.
- Explored emission control, **waste management**, and **coastal sustainability initiatives,** Gained insights into **CSR projects, EPR** commitments, and **ESG practices.**

Positions of Responsibility

- Core member, Climate Change & Environment Core Competency Cell, IIFM
- Core member, Entrepreneurship Development Cell, IIFM
- **Web Administrator**, Kaziranga House, IIT Madras BS Degree
- Captain, Badminton Team, Kaziranga House, IIT Madras
- Captain, School Softball Team
